BE THERE

Claims Procedure

PRECERTIFICATION

Each proposed hospital admission, inpatient and outpatient surgery, and other procedures as noted in the Certificate Wording must be pre-certified for medical necessity, which means the insured person, or their attending physician must call the number listed on the IMG Identification Card prior to admittance to a hospital or performance of a surgery. In case of an emergency admission, the precertification call must be made within 48 hours of the admission, or as soon as reasonably possible. If a hospital admission or a surgery is not pre-certified, eligible claims and expenses will be reduced by 50 percent. It is important to note that precertification is only a determination of medical necessity, not an assurance of coverage, verification of benefits or a guarantee of payment. All eligible medical expenses must meet usual, reasonable, and customary guidelines. Please refer to the Certificate Wording for full details of the precertification requirements.

Note: An insured person may begin the precertification process through MyIMG or the Client Resources section of our website, www.imglobal.com. Simply look for the precertification option. You will be asked to provide the required information, which can then be submitted electronically to IMG. Once we have confirmed receipt of your request, our utilization management and review team will review the information provided and respond to the insured person or the provider within two business days. Please note that this online service will only initiate the precertification process, and it should not be used to precertify emergency admissions, procedures, or evacuations.

CLAIM PAYMENT

All benefits payable under this program are subject to the provisions described in this brochure and as contained in the Certificate Wording and certificate of coverage. To make claim processing efficient, claims may be paid in two ways:

1. Eligible claims that have been paid by or on behalf of the insured person will be reimbursed by check or wire transfer directly to the insured person.
2. Eligible claims that have not yet been paid by the insured person will, at the discretion of IMG, be made either to the insured person or directly to the provider.
